

Pinecrest Lake

RECREATION IMPROVEMENTS

PINECREST LAKE RECREATION IMPROVEMENTS

ZONE 1: Boat Ramp and Beach 1 Area

- Replaced Courtesy Dock with ADA compliant dock in 2011
- Resurface roadway and existing parking lot
- Improve staging area to better accommodate vehicles and eliminate pedestrian conflicts
- Replace fish cleaning station with ADA compliant station
- Replace restroom with larger 8-unit unisex restroom with drinking fountains located closer to Beach 1

ZONE 2: Beaches 2 & 3, Picnic/Day Use Areas and Amphitheater

- Resurface existing parking lot and reconfigure parking along Lakeshore Drive to maximize and manage parking
- Add a new restroom at the trailhead to the picnic areas between Beach 1 and Beach 2
- Remove the existing restroom next to Amphitheater and install unisex 6-unit restroom and drinking fountains
- Install ADA compliant loading and drop off area near Amphitheater and access trail for picnic areas and beaches
- Reconfigure picnic areas for greater accessibility and separating uses for picnic only areas with picnic tables; BBQ/picnic sites for single family sites, multi-family sites and larger group sites with grills and picnic tables
- Reconstruct Amphitheater and stage areas to meet safety and ADA accessibility standards
- Upgrade Amphitheater stage, lighting, electrical, and audio/visual systems
- Connect ADA accessible trails to picnic areas, beach and amphitheater area to the main existing paved accessible trail
- Install walkway fences to manage foot traffic
- Install new drainage system with re-contoured gullies and add to beach sand so that will be sanded above the high water line

ZONE 3: Hand Launch Area and Fishing Platform

- Install new paths that meet ADA standards to access the Fishing Platform and add benches for seating
- Install picnic tables with handicap access, individual family and group use areas with cooking grills
- Rehabilitate the Fishing Platform and landscape the small unpaved area in the middle of the pier
- Resurface Fishing Platform parking spaces adjacent to Lakeshore Drive
- Remove one existing restroom and install unisex 6-unit restroom
- Add loading and drop off area at Rustic Avenue
- Designate sailboat launch area north of Fishing Platform with ADA compliant trail extended from drop off area to hand launch area on shore of lake
- Add loading and drop off area by Fishing Platform

ZONE 4: Pinecrest National Recreation Trail

- Rehabilitate the 4-mile loop foot-trail around Pinecrest Lake
- Install waterbars, repair tread, clear vegetation and install directional signs
- Close and restore user-created trails. Install bulletin/information signs at each end of the trail (near the Marina and the Fishing Platform)

ZONE 5: East Shore Day Use Area

This new facility will be located near the trail to Cleo's Bath at the east shore of the lake and is intended to serve trail hikers and water craft on the lake

- Construct 2-3 picnic sites
- Construct new 2-unit composting toilet
- Construct a small Courtesy Dock
